WHAT'S GOIN' ON HERE? THE WHOLE JOINT'S SHAKIN' ITSELF APART!
HEY, STRETCHO! YOU USIN' ONE OF THEM NUTTY SECRET MACHINES OF YOURS?
IT'S NOT MY DOING, BEN! SOMETHING IS AFFECTING THE ENTIRE ATMOSPHERE HERE! SOMETHING WHICH COULD DESTROY US ALL IF IT ISN'T STOPPED!
WHAT IS IT, REED?? WHAT DOES IT ALL MEAN?
THE VIBRATIONS ARE GETTING STRONGER! THE GROUND--THE AIR--EVERYTHING IS SHAKING ITSELF APART!
IT'S NOT A NATURAL PHENOMENON, SUE! SOMEONE IS RESPONSIBLE FOR IT! SOMEONE WHO IS TAMPERING WITH THE VERY ATMOSPHERE AROUND US--USING THOSE VIBRATIONS AS A WEAPON!
THAT BUILDING!! IT'S SHAKING MORE THAN THE OTHERS! IT LOOKS LIKE IT'S GOING TO FALL APART!
THAT'S IT, SUE! IT'S THE CENTER OF THE VIBRATIONS! THAT'S WHERE IT'S ALL COMING FROM!
LOOK OUT!! THE FORCE IS TOO GREAT! THE WALLS CAN'T CONTAIN IT! IT'LL BLAST ITSELF TO BITS WITHIN SECONDS--!! DUCK!!
CRRRAAKKKA
BA-ROOM!
WE PULLED BACK IN THE NICK OF TIME!
YOU WERE RIGHT! IT JUST MISSED US!
EVEN BEFORE THE LAST VESTIGE OF FLYING RUBBLE HAS COME TO REST, THE SILENT BLACK BOLT HURLS HIMSELF DIRECTLY INTO THE SOURCE OF IMPACT, HIS EYES BLAZING LIKE TWIN COMETS--!
HEY! THERE GOES OUR TICKET HOME!
HE'S NOT DESERTING US! HE'S OUT TO STOP THE VIBRATIONS!
2

HIS MUSCULAR FORM SURGING WITH ALMOST LIMITLESS POWER, THE MAJESTIC INHUMAN SPIES MAXIMUS STANDING NEAR THE DREADED ATMO GUN, AND INSTANTLY GRASPS HIS BROTHER'S DIABOLICAL PLAN...!
BLACK BOLT! EVEN YOU ARE TOO LATE TO THWART ME NOW!
NO, MAXIMUS! DO NOT ANGER HIM! HIS POWER IS STILL THE GREATEST OF ALL!
SPARE ME, BLACK BOLT! I HAD NO HAND IN THIS! IT IS ALL THE DOING OF MAXIMUS! I AM ONLY THE SEEKER--YOUR HUMBLE SERVANT, MY LORD!
BASE COWARD! WHEN THE CROWN ONCE MORE IS MINE, I SHALL REMEMBER THIS MOMENT, SEEKER! AND YOU SHALL PAY FOR IT--WITH YOUR LIFE!
THE DEED IS DONE, BLACK BOLT! BY NOW, ALL HUMAN LIFE ON EARTH HAS BEEN ENDED! ONLY WE INHUMANS REMAIN! THE ENTIRE PLANET IS OURS, MY SPEECHLESS BROTHER!
AND, WHEN OUR PEOPLE LEARN THAT IT WAS I WHO GAVE THEM DOMINION OVER EARTH, THEY WILL TEAR THAT CROWN FROM YOUR HEAD, AND RESTORE IT TO MAXIMUS! YES, I WAS BORN TO RULE!
FOR THE SPACE OF A DOZEN HEARTBEATS, BLACK BOLT STANDS MOTIONLESS, STARING AT THE MAN WHO CHORTLES BEFORE HIM--AS THOUGH SEEING HIM FOR THE FIRST TIME! AND THEN, IN A GESTURE OF ABJECT LOATHING, OF SHEER CONTEMPT, HE STRIKES--!
THAK!

MARVEL BULLPEN BULLETINS!

THE LATEST GOSSIP, GAGS, AND GIZMOS FROM YOUR BULLPEN TO YOU!

HOW ABOUT THAT! DEPARTMENT: Have you noticed the way Brands X, Y, and Z have been knocking themselves out trying to imitate the now-famous Marvel style? All of a sudden, we find watered-down versions of our own pulsating plots and devastating dialogue all over the place! But we're going to do something that's never been done before! This should finally prove how big-hearted we really are! We're gonna make it EASY for those panicky pussycats! To save them the trouble of trying to imitate our inimitable style, we're thinking of selling them some of our old scripts! Then, they could be sure they finally have the same kind of stories as mighty Marvel! We figure they owe it to whatever readers they have left! (Naturally we're only kidding, but we'll bet you anything that some clown from some other company drops us a line asking the price of those old yarns!)

• • •

DIDJA KNOW? DEPARTMENT: Didja know the real reason we changed the AVENGERS line-up? Here it is, honest injun! Iron Man, Thor, and Giant-Man were all starring in their own mags. After a while, it didn't seem right to have one of them captured in Transylvania in his own mag, while he might be taking in the Late Show on TV in the AVENGERS! The truth is, it seemed to kill all the realism—all the immediacy of both strips! In fact, that's why we took the Torch and bashful Benjamin out of STRANGE TALES. It's easier to keep track of all our costumed cuties when they're in one mag at a time—except for occasional guest shots, of course! So that's it! If you can make heads or tales out of Stan's long-winded explanation, consider yourself no-prized!

• • •

DEPARTMENT OF UTTER CONFUSION: We wanted to tell you which artists will do what strips this month, but the situation is more mixed-up than ever! However, we can safely mention one change which we think you'll flip over—jaunty JOHNNY ROMITA will do the Hulk in ASTONISH #77 (now on sale!), as well as continuing the breath-taking depiction of Daredevil in the masterful mag of the same name! Meanwhile, it looks as though ADAM AUSTIN will stay with Iron Man for a while—he's doing too great a job to stop! Have you noticed more and more of darlin' DICK AYERS' inking popping up in our mags? We suspect he's jealous of all the fuss we've been making of jolly JOEY SINNOTT'S fabulous work on the FANTASTIC FOUR, and he wants to get into the act himself! As for us, we're happy about the whole thing. We've been boosters of Dick's inking for as long as we can remember!

• • •

STRICTLY PERSONAL: It isn't generally known, but many of our merry Marvel artists are also talented story men in their own right! For example, all Stan has to do with the pro's like JACK "KING" KIRBY, dazzling DON HECK, and darlin' DICK AYERS is give them the germ of an idea, and they make up all the details as they go along, drawing and plotting out the story. Then, our leader simply takes the finished drawings and adds all the dialogue and captions! Sounds complicated? Maybe it is, but it's another reason why no one else can bring you that old Marvel magic!—By the way, one bullpen buddy you ought to know is genial JOHNNY HAYES, our beaming business manager and circulation director! Johnny's the gent who works night and day making sure our mags are sold throughout the free world! And, if you think only artists and writers are sporty souls, you should see the jazzy 2x2 fire-engine-red Mustang fastback that joyful John zips to work in!

• • •

THE WRAP-UP: For those of you who were Marvel maniacs in the old days when we featured fantasy mags about the nuttiest assortment of aliens, monsters, and cavortin' kooks you ever saw . . . and, for those of you who missed those nutty, nifty nostalgic yarns . . . we've got a thrilling surprise! Just for the fun of it—just so we can see what the work of our favorite artists looked like years ago—just so we can read some of those famous old fantasy classics Stan was batting out by the dozens before the Marvel Age—in other words, just for old times' sake, we're adding a new title to our line-up of hits—FANTASY MASTERPIECES! The great first ish is on sale right now, and you've just GOT to get it! It'll be published bi-monthly, and each ish is certain to become a treasured collectors' item minutes after it's off the press! It's only 12¢ — jam-packed with memories — a real Marvel memento publication—just for YOU! And, as usual, we'll be waiting with bated breath to learn how you like it! So let us know real soon, hear? See you next month!

SPIDER-MAN #34: Kraven the Hunter returns to challenge Spidey to the deadliest game of all—a hunt with no quarter asked or given! It's just the type of tale you dig!

AVENGERS #25: This one has everything! One of the world's greatest fighting teams meets the menace of the world's most dangerous villain — and they can't fight back!

X-MEN #17: It looks as if this is Marvel's month to feature villains! But, the X-Men do it the hard way! You'll meet the last super-foe you ever expected to see in this one!

DAREDEVIL #13: The plot thickens! It seems there is more to the Plunderer than we thought last ish! And we're also going to learn a lot more about Ka-Zar! Oh yes, Daredevil's in this one, too!

THOR #125: All we need to tell you is that this landmark issue features Hercules — and a host of new, startling developments! It's sheer dynamite from start to finish!

STRANGE TALES #142: Once again Shield is threatened with destruction, but don't worry — Fury's on the job! As for Dr. Strange, we hope Steve Ditko can save him —poor Stan doesn't know how!

SUSPENSE #75: If you think Iron Man was in trouble before, wait'll you read this one! And you're sure to flip over Cap's great new foe: the bombastic Batroc!

ASTONISH #77: At last the secret is out! Major Talbot learns who the Hulk really is! You'll never forget this one! And wait'll you see who Sub-Mariner meets, up on earth's surface!

SGT. FURY #27: The titanic tale that rips away the veil of secrecy and reveals, for the very first time, the truth behind the eye patch Nick Fury wears today! A sizzler!

FANTASY MASTERPIECES #1: The greatest collection of Golden Age fantasy you've ever seen! You'll thrill to the early work of your favorite artists!

SECOND FLOOR 625 MADISON AV
NEW YORK 10022 N Y

Dear Stan and Jack,

I've just reread my copy of FANTASTIC FOUR ANNUAL #3 and, to me, the best thing that happened in it was not the marriage of Reed and Sue, but seeing Thor once again shouting "Avengers Assemble!" (page 17, panel 1). Thor has never really quit the Avengers, so why not have him rejoin the group? He and Cap sort of belong together. Horror of horrors, I lost my wallet and therefore not only are my driver's license and my social security card gone, but also my M.M.M.S. membership card and my button which was pinned on the outside of my wallet!! And could you maybe publish a letter to parents or something? I'm tired of getting static from my mother about how ridiculous it looks for a Rice University sophomore to stand in front of a drugstore haggling with an eight-year-old kid over the last copy of F.F. or AVENGERS. (I got them, but it cost me thirty cents and I had to let him read them first!)

Janey Davis, 2601 Briarhurst
Houston, Texas 77027

We're with ya all the way, J.D.! It seems to us that it would look a darn sight *more* ridiculous to stand in front of said drug store and let someone else make off with the last Marvel masterwork right under your nose!

Dear Stan and Jack,

Now this is overdoing it! I don't want to tell you how to run your comics but ease up on the mushy stuff! In issues #33, 34, 36, 37, 38, 39, 40, 41, 42, 44, and 45 of FANTASTIC FOUR, I discovered exactly 79 mushy parts all put together. There were 3 "honeys," 12 "loves," 33 "darlings," 6 "babys," 4 "dearests," 2 "beloveds," and one "beautiful." Boy, when you put mushy stuff in a comic, you don't kid around! Your comics are great if it weren't for that!

Diane Nagura, 154 Third Ave.
San Francisco, Calif. 94118

Okay, Diane. But, all we wanna know is—what in the name of Aunt Petunia is mushy about "honeys, loves, darlings, babys, dearests, beloveds, and beautiful"? We thought *everybody* talks that way! Or are we just a couple of lover boys?

Dear Stan and Jack,

Whether you know it or not, you've got the weirdest, greatest, most unique super-villain group to menace a costumed hero in years. "Among Us Hide the Inhumans" was a gem of pulse pounding adventure fantasy! Medusa, Gorgon, and company are just too good to be true for this comics reader to believe. The Kirby-Sinnott team was above par excellence. There's nothing as weird or as colorful as them in the Addams Family or the Munsters, which are pretty humorous, while you're deadly serious. About this Communist controversy, for some inexplicable reason whenever communism is used as the foe in an F.F., Thor, or Captain America story, it's done sensibly, while in your other strips like the Avengers and Iron Man, it becomes a mockery of propaganda story-writing not like the realistic story-telling typical of you. Speaking of the AVENGERS, #22 was terrible what with Captain America making like the Thing and leaving the team at the abrupt end of the story. Lastly, why all of this talk about Brand Echh? Why don't you come out with it and tell the truth? We all know what publisher you're talking about. Other editors mention names when they have to, so why not make your stand instead of covering up?

Leonard Tirado, 182½ Regent St.
Saratoga Springs, N. Y. 12866

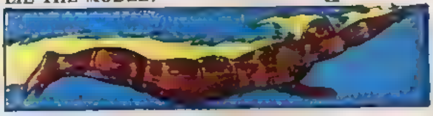
Holy Hannah, Len!! You mean there *is* a Brand Echhh? *Cheee!*

Dear Stan and Jack,

It's been some time since I've bellowed my criticism, so to keep you happy I'll start now. Since I buy all your mags except MILLIE THE MODEL, I feel it my responsibility to insert my opinion, although I don't know where it'll go. Now sit back and relax — this won't hurt a bit. Only one word can express F.F. #44 — MAGNIFIQUE! Bringing back Dragon Man with la belle Madame Medusa and introducing a new villain like Gorgon — galloping guppies! Je ne sais pas que dire! I sure would like to see Gorgon and the Hulk meet up with each other. What a sight that would be! But, I'm not finished yet! What's this bit about not harming a villain? I know you guys like to lengthen a plot, but don't make it hopeless for your poor mixed-up comic book heroes. They've got enough trouble as it is. I witnessed this in this F.F., and also in THOR #121. Did you ever see a villain hold back on his punches? I never did, anyway. So until Gorgon comes out kicking, vive la Marvel!

Robert Brissette, R.F.D. #4
Caribou, Maine

Never mind all that soft-soapin' jazz, Bobby! We want you to level with us! Tell us where we failed! How did we go wrong? In other words, why *don't* you buy MILLIE THE MODEL?



Dear Stan and Jack,

"Among Us Hide...the Inhumans" was the second chapter in what seems to be another full-length novel. The excellent title gave way to a spell binding story which may be one of the last F.F. epics I will have a chance to read for many months. The service has beckoned and I don't think the sergeant would appreciate copies of the F.F. lying around. Never fear, though, for I shall not miss one single issue of any of the Marvel Comics Group. This would drive me wild. My fiancee, who puts up with these whims, will faithfully, I hope, purchase each issue, so that when Johnny, or in this case Don, comes marching home, I will have all of your merry Marvel masterpieces before me. This is beside the point because I do want to make a few suggestions. First of all, I'd like to congratulate Stan for inserting a brief glimpse of the Trapster and the Sandman in jail even if they didn't partake in the rest of the adventure. While this may seem senseless waste to some, it lends that reality, that little extra uniqueness that belongs to the sultan of the script, Stan Lee. When Johnny met up with that lovely apparition in the alley, things began to move and hum the way most of the F.F. stories do. The girl and the scene in which she was placed had atmosphere, the dialogue was more than mere sentences to explain the plot. This is one of Stan's best abilities as a comic writer, and he has all other writers in this field beat completely. By page 11, this tale was beginning to turn completely weird. It was unique in plot and character, and Crystal, that flaming young girl, should come on strong with all readers. She's the perfect girl for Johnny. In fact, if Johnny and Crystal keep seeing one another, maybe by F.F. ANNUAL #6 we'll see them walking down the marriage aisle. That full-page spread on page 18 was one of Jack Kirby's masterpieces. Have at least one full-length picture like this in every issue, because they're priceless. Stan's script hummed professionally onward and the witticism was original and nearly rocked me out of bed — that was where I happened to be when I came across it. The whole story was as if a movie camera was juggling positions to let us see all. One other compliment: the villains are not stereotyped by any of your other villains. There was no bragging, nor criminals out to take over the world or conquer the F.F., but there was this — characters who stood out by themselves. The last page was nicely done and that last panel was very effective. Black Bolt looks like he is going to be one of your best. Before I sign off, because this is probably one of the last letters I will have a chance to write you guys for many months, I want to thank you for all the enjoyment that each of these magazines bring, and to express my opinion that I wish more people could read them and find the

enjoyment in them that I have found.
Donald McGregor, 35 Sophia Drive
West Warwick, R. I.

Don, we remember receiving other letters from you in the past — and enjoying them all. But, we enjoyed the obvious sincerity and warmth of this one the most. We wish you the best in your military service, and want you to send us your army mailing address as soon as possible, so that we can send you a complimentary subscription to the F.F. which will last as long as you're in the service. We don't think you'll have to worry about the Sarge approving — judging by the amount of mail we receive from servicemen, your noncoms will probably be Marvel madmen as well! We wish we could make this gesture to *all* our stout-hearted servicemen (though obviously we can't) — not because we want to do them so trifling a favor — but rather to let them know how deeply in their debt we, and all the free world, truly are! Godspeed, Don — to you, and all your buddies, everywhere!

Dear Stan and Jack,

I would like to comment on the letter written by a fan in F.F. #45. He implies something to the effect that Sue Richards is a stuck-up snob. I wish to disagree fully with him. As to Sue being self-centered, in the last two issues, she has expressed her concern for the others' safety twenty-one times that I found. And as for her treating Johnny like dirt with phrases such as "impetuous kid brother" and "baby brother," I found such phrases used only three times in the same two issues. And also about "Johnny this" and "Johnny that," I wonder how many brothers and sisters the writer has? I have seven brothers and sisters, with five being younger than I, and I know how necessary it is to continually remind them what to do. Thus ending my debate, I want to beg Stan and the bullpen to please stop continuing stories. You're driving me mad! If you do it to have people keep buying, you ought to know that all Marvel madmen will continue to buy your great mags no matter what. In closing, I wish to say I love the Fantastic Four, the bullpen and all Marvel madmen — even the above-mentioned letter writer — after all, anyone who reads Marvel mags can't be all bad!
Alice Jean Schorfheide, 621 So. High St.
Belleville, Ill. 62220

How right you are, pussycat! But, we're not deluging you with continued stories just to con you into buying each ish, Alice — honest! Our sales were just great before we started our two-and-more-parters. The only reason we do it is to be able to give you the very best stories — with the most exciting suspenseful plots! We feel "the play's the thing" (as some *other* mighty hip writer once wrote!) and we let a story go on for as long as necessary in order to squeeze every last bit of drama and enjoyment out of it for you! And, with those well-nigh imperishable words, the defense doth rest!

Dear Stan and Jack,

I would like to compliment you two for what has been your most magnificent production since the beginning of the Marvel Age. I am speaking of F.F. #45 — "Among Us Hide . . . the Inhumans!" The story, Stan, was one of the finest you have ever written. The art, Jack, was by far one of your best achievements, comparable only to the good old days when you drew the X-MEN. I have always considered the F.F. a marvelous comic, but you really outdid yourselves this time. Dragon Man seemed to exude power from the very pages themselves and Johnny Storm's image seemed to glow with heat. The Thing, Reed, and Sue were drawn superbly, and the action packed into the art was unsurpassable. I swear by the shades of the Seraphim that that last panel almost knocked me out. The awesome figure as well as the name of Black Bolt struck me dumb. As usual, you ended up with an unbearably suspenseful cliff-hanger. I hope you will continue to produce such masterpieces in the future.
Ty Bizony, 370 Riverside Drive
New York, N. Y. 10025

We'll make you a deal, Ty — you keep writing us such morale-building missives, and we'll keep grinding out our usual brand of plain, ordinary, everyday major masterworks! How'sat?

Dear Stan and Jack,

I'm on vacation now so this is being written somewhere between San Francisco and Chicago. The train ride is rather long and after a time, just looking out the window gets boring. Fortunately, I was able to pick up a copy of F.F. #45 at Dearborn Station — what a monotony-reliever! It's really quite good, though it can't compare with the superb #38 to #43 series. Congratulations to Sue and Reed and may there be many little Richards. It seems as if you can't keep your Marvel mixed-up mythology out of anything, at least the handy, ready-made names. Medusa, Gorgon, Triton, and company certainly are off to a good start, but, please don't overdo the alien kick. This poor Terra seems to be located on a planetary thruway. So much for the story. It was the letters page that really made my blood boil — on an air-conditioned train yet! It concerned the miniature World War III over communist antagonists. Well, I have always believed this to be the land of free thinkers and free sayers. So, if one is free to kid, insult, caricaturize, and otherwise deride our *own* government, why not one that we owe *no* trust or allegiance to? These people are not forced to read Marvel magazines. So thanks, good luck, and may you improve with every issue.
Marlene Jablon, 1521 N. Hamlin Ave.
Chicago, Ill.

Know something, Marlene honey? We never thought of it that way! If we're allowed to criticize our *own* government, why shouldn't we have the same rights with regard to *other* countries — 'specially seemingly hostile ones? A logical sentiment, clearly expressed, and eloquent in its simplicity! Who *says* we haven't the greatest fans in the whole chicken-scratchin' world!

—NEXT ISH: The most powerful super-foe of all time strikes! You will never forget the great Galactus—nor the Silver Surfer—nor the valiant last-ditch defense by the fabulous Fantastic Four—with the Watcher at their side! It is the *only* tale which could properly have followed the path of classic legendom blazed by the Inhumans! And, a personal note which we announce with great pride—for years we have proclaimed the F.F. to be the world's greatest comic magazine—and our ever increasing sales success has borne out the truth of that statement! Now, after all this time—despite all the increased competition, from our own and other magazines, we proudly proclaim that our readership, our fan mail, and our total sales and circulation are at an *all-time high!* Thus in this, the magnificent Marvel Age of Comics, the FANTASTIC FOUR is more than ever indisputably—the *leader!* 'Nuff said!

BOYS! MEN!

MY SECRET NEW DYNAFLEX METHOD

CAN BUILD YOU A MAGNIFICENT NEW HE-MAN-MUSCLED BODY IN JUST TEN MINUTES A DAY—with absolutely NO weights—NO bar-bells —NO EXERCISE AT ALL!

Mike Marvel

Yes! If they LAUGH at you now when you take off your shirt—they'll be amazed —once they've seen the rugged DYNAFLEX BODY I can give you! I'll build you a tough massive body—shoulders clad with solid inches of he-man BRAWN. I'll give you bulging biceps, trip-hammer fists, power-packed legs, and a chest that will have you popping the buttons off your shirt with pride! (—says MIKE MARVEL, "Builder of Champion Bodies")

In my classes this same course of Instruction would cost $110.00.

Or is your problem a body sagging with soft rolls of unhealthy, handsome FAT? Puny muscles—sagging stomach—bloated face—arms heavy with layers of BLUBBER? Are you ASHAMED to go to the beach and let them see your "FAT-MAN PHYSIQUE"?

If so, wake up fella! THIS IS IT! I will peel off that fat and give you a lean virile DYNAFLEX BODY, armored with a sheath of hard tough handsome muscle. I can build you into a healthy, streamlined HERCULES — bursting with dynamic manly strength. I'll give you a taut rock-hard midsection—legs muscled like coil steel springs. I can pack solid DYNAMITE into your fists and give you a rugged handsome build brim-full of the magnetic SUPER-BODY APPEAL. And with NO starvation diets — NO fatiguing calisthenics — NO expensive health-foods!

ARE YOU WEAK, ALWAYS TIRED, LACK PEP?

Whether you're thin and scrawny, or sagging with unsightly fat — my secret DYNAFLEX method will cram pep, vigor and red-blooded vitality into your puny, exhausted body. Once DYNAFLEX makes you a two-fisted dynamo of manly beauty, rippling with power, glowing with magnetic appeal—you'll be bursting with get-up-and-go. Man, you'll be really ALIVE—tingling with zest and rip-roaring energy—for the first time in years!.

PROOF!

"I tried two other systems, before my buddy told me about DYNAFLEX. It really works —and how! I've put two inches of solid muscle on my biceps, three inches on my chest. It's like magic!" L. C., New York City

"I never thought you could build terrific muscles without exercises or weights. Started DYNAFLEX two weeks ago, and am building a great physique." E. G., Detroit, Mich.

"DYNAFLEX is the best yet. Only three weeks, and I have more dates than I can handle! I am telling all my pals about DYNAFLEX." F. S., Chicago, Ill.

ARE YOU ASHAMED OF YOUR BODY NOW?

Pal—do YOURSELF a favor! Take a good long look in a mirror. Do you see a puny, starved body—scrawny arms—bony shoulders—a flabby stomach and skinny legs? Do they laugh and grin when you take off your shirt?

BELIEVE IT OR NOT—I can add solid pounds of rippling, steely he-man MEAT to your build. I can take those skeleton arms and PACK EVERY INCH with explosive virile MAN-MUSCLE. I can take that caved-in chest and build on six rugged inches of strong sleek MAN-SIZED BRAWN. I can clothe your skinny frame with GIANT RIPPLING DYNAFLEX MUSCLES that will have them gasping with awe and admiration! And with NO tiring exercise, NO high-priced bar-bells or gym equipment!

HOW DYNAFLEX BUILDS BEAUTIFUL BODIES

DYNAFLEX is the modern miracle of body-building. It takes no tiresome exercises, "crash" diets, protein foods, and no weights or bar-bells. DYNAFLEX is the amazing discovery of a West German Doctor whose research into the Science of Strength found a thrilling new way to build GIANT BRAWNY MUSCLES in ten minutes a day. With DYNAFLEX you "flex" each muscle once—in a certain way—that is more effective than if you exercised that muscle 20, 30, even 100 times the old-fashioned way. With DYNAFLEX you get bigger results in ten minutes than after hours of grunting and groaning, hefting heavy weights.

DYNAFLEX coaxes each muscle in your body to bring out its round, steely fullness and satiny symmetery. DYNAFLEX packs that muscle with glowing vibrant new strength and energy—FAST. In ten minutes a day I can cover your bony frame with healthy rippling muscle—give you a deep, powerful chest—solid shoulders and iron wrists—tough, slim midsection—and trim, steel-spring legs—simply thru "DYNAFLEXING" each muscle once a day! There's nothing wrong with the bar-bell and weight-lifting method . . .but why bother? Why waste time and money, why sweat and strain your way to a streamlined symmetrical SAMSON-STRONG BODY—when you can do it better—bigger—faster—easier with the DYNAFLEX SECRET?

STRONG-MAN BODY THAT'S ADMIRED!

Be honest. Down deep you KNOW you envy the boy with the virile, magnificent build. Every man and boy secretly desires a broad brawny back, a solid man-muscled chest, handsome he-man shoulders, arms rippling with tough, steely sinews, a narrow waist, slim hips and springy, power-packed legs. Be a fellow with TWO-FISTED BIG MUSCLE APPEAL . . . they only laugh at skinny guys or "fatso's".

Let me give you a glowing new body, brimming over with energy and irresistible inches of solid muscle on your chest—he-man appeal. I can build three inches of beef and brawn on your shoulders. I will mold you a handsome super-body of terrific strength, give you a crushing grip, legs crammed with steel springs. A lean taut rock-solid punch-proof midsection. Pack your body with energy and stamina that will help make you popular.

GIVE ME TEN MINUTES A DAY —THAT'S ALL!

After DYNAFLEX, you'll be able to roll up your sleeves and take off your shirt and, for the first time in your life, you'll be PROUD of your manly build. Yes, pal, say goodbye to your weak, flabby frame—get ready for adventure and romance with a solid physique that glows and vibrates with virile he-man appeal. You'll be really proud to have people see your MAGNIFICENT HE-MAN MUSCLES at the beach or gym.
